About the Champions program:

PONY Baseball and Softball is proud to announce the formation of a new league, the Champions League. The newest league in the PONY family is for children with special needs. It was unanimously adopted at the PONY Baseball and Softball International Board of Directors on October 13, 2009.

As a chartered member of PONY Baseball, Pasadena Pee Wee League is excited to announce its new Champions Division!! We are looking forward to giving special needs children in the Pasadena and surrounding areas an opportunity to play ball!

Spring 2012 will be Pasadena Pee Wee League's first attempt at the Champions program. With support and participation from our traditional teams, we hope to build up the Champions Division into a rewarding experience for both the Champions participants and their baseball buddies!
